Sketch Battle word list

PlayDen's own list. Family-friendly and drawable, 1 to 4 words each. Phrases are shown in green.

2,500	2,000	350	150	1,116	26
words and phrases	easy (80%)	medium	hard	phrases of 2–4 words	hyphenated

At the start of each game the server shuffles the whole list with the game's seed; each round offers the next two words, and both leave the pool. Guesses match ignoring case, spaces, hyphens and punctuation, so "x ray" and "xray" both match "x-ray".
